

Your Pre-Treatment Information.

It's important we start off on the right foot.

If you can read through this information thoroughly and should anything stand out or potentially cause a contra-indication, please contact us at the earliest convenience.

Our Policy:

We operate a booking only system at the clinic.

We take a 50% booking deposit for our longer services.

We require a 24hr notice period to cancel or reschedule any appointments.

To cancel or reschedule your appointment please notify the salon by email to contact@beebautyandaesthetics.com or call us no less than 24hrs.

Lateness: If you are more than 10mins late you may have your treatment shortened or cancelled and you will incur the full cost of the service booked out.

If you cancel, reschedule or no show you will be charged the full cost of the service.

Changed your mind? If you have booked out a service which you no longer require but you decide to keep the appointment but wish to reduce the cost or downgrade the service, yet you have failed to notify us with a 24hr period. You will be charged the full amount of the original service as we now have a loss of potential earnings and cannot fill the appointment slot.

For example: You have booked out a Vajacial and now wish to have a Hollywood but you have only notified us at the appointment. You will be charged the full amount or at the owners/ managers discretion you may have this added on as credit to your file if the change is reasonable.

- If you are taking any medications please ensure we are made aware immediately. Failure to notify us, it may mean your appointment will not go ahead on the day.
- If you have any metal pins/plates/implants, pacemaker or you suffer with epilepsy or you're pregnant please notify the clinic immediately
